| <p>Hi {First name},</p> <p>I hope you're enjoying summer with friends and family!</p> <p>I wanted to reach out and talk to you about the collaboration and productivity tools you're using in your organization. If you're tired of complex management and you need to support a remote or hybrid workforce, it's time to consider Google Workspace.</p> <p>Google Workspace is a cloud-based productivity application that includes business versions of applications such as Gmail, Docs, and Drive.</p> <p>Why Google Workspace?</p> <ul style="list-style-type: none">• Google apps help teams work from anywhere on any device• Low admin management requirement; simplified migration• Secure-by-design infrastructure, built-in protection, and global network• Automatic encryption, robust backups, sharply reduced spam <p>I can help you make the right selections, and through my partnership with a company called AppDirect, provide technical expertise and seamless implementation. Plus, your subscription comes with 24/7 multi-tiered support and 99% uptime SLA.</p> <p>I'd like to set up an AppDirect Envision session with you in the next week or so. At the meeting, an AppDirect cloud expert will provide a Google discovery assessment to better understand your environment and needs.</p> <p>Do you have time this week or next week to connect? Or if you're ready, register for an Envision session, here.</p> |
