

# Cobranding your data sheet:

## 01- INSTALL ADOBE ACROBAT READER

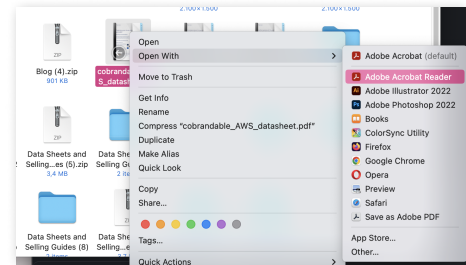

If you do not already have it, go to <https://www.adobe.com/acrobat/pdf-reader.html> , click *Download PDF Reader*, and follow the instructions to install.

**Note:** Adobe Acrobat Pro can also be used.

## 02- OPEN THE TARGET DATA SHEET TO BE EDITED

Right click on the document and select *Open With > Adobe Acrobat Reader*.

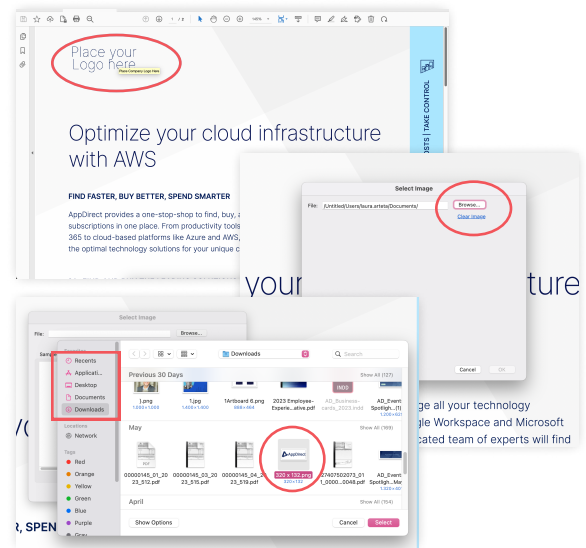

## 03- CLICK ON “PLACE YOUR LOGO HERE”

Clicking will launch a pop-up window. Click *Browse...* and select your logo.

Make sure you navigate through the correct folder to find your image.

**Note:** Your logo should be in a PNG or JPG format with a white background.

## 04- EDIT THE CONTACT INFORMATION

On the bottom of the data sheet, you will find a text field to add your contact information. Double click on the text field and enter the desired information. Remember to save your cobranded data sheet: *File > Save*

**Note:** With Adobe Acrobat Pro you can lock the pdf to prevent future editing by pressing: *File > Protect Using Password > Select the option Editing and add a password.*
